PRODUCT CODE: FAATF5

# ATF Dexron III H Universal

**Falzol ATF Dexron III H Universal** is a multi-purpose automatic transmission fluid for commercial and passenger car gearboxes meeting a very wide range of specifications. The automatic transmission is one of the most complicated mechanisms in modern automotive engineering and consequently requires complex fluids for efficient operation.

Falzol ATF Dexron III H Universal is manufactured from premium synthetic base stocks and high quality solvent refined base oils with specially selected additives and friction modifiers to produce a lubricant with outstanding durability. It demonstrates excellent frictional stability and offers extended fluid life even when under the most severe conditions. Falzol ATF Dexron III H Universal is recommended for automatic transmissions and power steering units in cars, vans, trucks, buses, agricultural and industrial machines where the following specifications are required.

## BENEFITS:

- Long oil life
- Improves clutch durability
- Can be used as a power steering fluid
- Excellent protection against wear
- Low foaming tendencies
- Compatible with all elastomers and other sealing materials
- High thermal stability
