

Ultra-Performance Chain oil

BIO CHAIN OIL

BIO CHAIN OIL is specially formulated, environmentally aware Chain oil. Standard mineral based chain saw oil has been damaging the forests for many years. The total loss system applied to chain saws physically pollutes the environment.

BIO CHAIN OIL has been specially formulated using approved vegetable based materials, which are fully biodegradable. It also incorporates viscosity and tackiness additives for extended chain and blade life. Suitable as a chain saw blade lubricant when areas of particular environmentally sensitive nature occur. It is fully miscible with conventional chain saw oils and no special precautions are required when changing over.

BENEFITS:

- Fully biodegradable
- Excellent wear protection
- Good low temperature stability
- Resists oxidation through heat
- Good adherence

TYPICAL ANALYSIS:

SAE	30
Appearance	Straw
Specific Gravity @ 15.6°C	0.915
Kinematic Viscosity @ 40°C mm ² /s	92.0
Kinematic Viscosity @ 100°C mm ² /s	21.0
Viscosity Index	220
Pour Point °C	-27
Flash Point °C	290
