

Fully synthetic multigrade engine oil.

PRODUCT CODE: FADRIV

## DRIVE CX 5W30

**FALZOL DRIVE CX 5W30** A new generation fully synthetic multigrade engine oil formulated using the latest developments in synthetic technology together with the most up to date advancements in additive chemistry and sets new standards in engine oil performance. Developed to enable outstanding performance to be provided along with full compatibility with emission control after treatment systems. Low SAPS (sulphated ash phosphorus and sulphur) additive technology ensures optimum performance of emission control equipment including diesel particulate filters thereby ensuring a high level of continuous pollution control and minimising environmental damage.

### BENEFITS:

- Effective environmental protection
- Ensures lubricant performance over extended drain intervals
- Effective fuel efficiency
- Very high standards of engine cleanliness
- Exceptional long term anti-wear and oxidation stability
- Excellent high and low temperature performance
- Exceptional long term additive response
