

A high quality universal semi-synthetic based oil

PRODUCT CODE: FAEUF1040

EURO FARM 10W40

EURO FARM 10W40 for agriculture and earth moving equipment. A high quality universal semi-synthetic based oil developed for use in tractors, combines, harvesters and off the road equipment with or without turbocharger diesel engines.

EURO FARM 10W40 is also designed to lubricate the transmission, power take-off, final drive, hydraulic system and oil immersed "wet brakes". This product cannot be used in diesel engines equipped with a Diesel Particle Filter (DPF). Formulated on severely hydrocracked base stocks in combination with an unique additive package to reach the following properties.

BENEFITS:

- Excellent thermal- and oxidation stability.
- Very good dispersancy and detergency.
- Excellent cold start properties.
- High anti-foam, anti-wear and anti-corrosion properties.
- Suitable for Wet Brakes.

Exceeds the following performance criteria:

Engine Spec API CG-4/CF-4/CE/SF MB 228.1 ACEA E3
