

Premium Quality
Lawnmower Oil

PRODUCT CODE: FALM200

LAWNMOWER OIL

FALZOL LAWMOWER OIL is a premium quality monograde lubricant designed to meet the requirements of a wide range of engines. Based on solvent refined high viscosity index paraffinic oils they hold viscosity change to an absolute minimum as ambient and operating temperatures fluctuate. The additive system used has been formulated to include a detergent inhibitor which imparts the correct balance of sludge control, plus wear resistance and anti-oxidant properties.

FALZOL LAWMOWER OIL can also be used in certain marine, agricultural and horticulture applications as specified by equipment manufacturers. It can be used in a number of stationary and small capacity petrol engines which require an API SE performance level.

TYPICAL ANALYSIS:

API	CC/SE
CCMC	D1
Military Spec	Mil-L-2104B Mil-L-46152B

SAE Classification	30
Specific Gravity @ 15.6°C	0.890
Kinematic Viscosity @ 100°C (cSt)	10.54
Flash Point (COC °C)	215
Pour Point	-28
TBN (mg KOH/g)	5.6
